Frequently Asked Questions – FAQ

Where do I send the form and documents to claim my funds?

The address will be on the Unclaimed Property Reimbursement Form. Send the form and documents to the following address:

Pathward, N.A.
Attn: Escheat Administrator
5501 S Broadband Ln
Sioux Falls SD 57108

Or you may email the signed claim form with two ID documents to unclaimedproperty@pathward.com – please include your name and Account ID in the Subject line

Documents and claim form may also be faxed to 605-977-0202

Why do you need my full Social Security number?

Both your state and Pathward are required by law to identify the true owner of the property (funds). This process is similar in each state and Pathward mirrors that process with the documentation required. If you fail to provide the documentation, or if the documentation doesn't pass verification, we are unable to disburse the funds. These requirements are for the protection of our accountholders. If you are simply uncomfortable providing Pathward that information through our process, you may wait until the funds are turned over to your state and claim from them directly.

Where did this Card/Check come from?

Most letters that go out relating to Pathward unclaimed property are for prepaid debit cards that have been idle for more than a year or several years. We sponsor gift cards, travel cards, reloadable cards, and other payment cards with many different partners and companies. The letter could also have been sent for an uncashed check relating to a division of Pathward. Pathward is a financial service company with several divisions including Crestmark, AFS/IBEX, Refund Advantage, and EPS Financial.

What are the documents required to claim this property?

One form of ID must be a government issued photo ID, such as your driver's license. The other form can be something like a copy of a recent utility bill, phone bill, credit card bill or bank statement to validate the address with your name on it. If you have had a change of address, we require a utility bill so that we can verify your new physical home address. Once we receive your Unclaimed Property Reimbursement Form, we will use it to verify your identity. If your identity is verified, you will receive a new gift card or check in the mail, within 90 days from the day we receive your response.

Standard Claim Documents

- A legible copy of your current (unexpired) state/government issued photo id such as a Driver's License, passport, state/government issued photo ID, military id, matricula consular or Native American id card, Alien ID (Green Card or Work Visa). At least one of these Primary IDs is required.
- A recent utility bill (60 days), pay stub, or bank/credit card statement that will allow us to verify your home address. Must be a physical address for a replacement card or PO Box if you request a refund check. Utility Bill not needed if state/government issued Photo ID has correct address and a copy of Social Security Card or Birth Certificate is included as the Secondary ID.

**Two government issued photo IDs will suffice if the address on one of them matches the address filled out at the bottom of the Unclaimed Property Reimbursement Form. Otherwise, the recent utility bill or similar item will be needed to verify the home address.

Business Claim Documents

- The bottom of the letter needs an individual's information (Name, Date of Birth)
- For Social Security number we need the business Tax ID
- A legible copy of your Government Issued Business license
- If you cannot provide a Business License, we would need one of the following: Articles of Organization, Partnership Agreement, Participation Loan, Loan/Bank Documents for the business, Certificate of Authority, Operating Agreement, By Laws or Articles of Incorporation, State Sales Tax License
- State issued photo ID for person signing the form

Deceased Cardholder/Property Owner Documents

- A legible copy of your (who is claiming the funds) current state issued photo id such as a Driver's license, passport, state issued photo ID, military id, matricula consular or Native American id card
- A legible copy of a recent utility bill, pay stub, social security card, birth certificate or bank statement that will allow us to verify your home address. This must not be older than 60 days. We are looking for business header & name with address.
- A copy of the death certificate
- A copy of a document naming you the beneficiary such as Will, Trust papers, Letters of Special Administrator, Letters of Testamentary or Letters of Temporary Administrator, Small Estates Affidavit or Affidavit of Decedent's Successor (MI) or other document from the probate or surrogate's court. The probate/surrogates court can answer any questions and variations based on their state statutes. A Power of Attorney or Durable POA do not survive death and cannot be used for this process.
- You will need to fill out the claim form with YOUR information and ID/Utility bill to validate you are the person named in the legal document naming executor or beneficiary.

I received a letter from the California State Controllers Office, what do I do?

California mails out letters like that regarding unclaimed property that Pathward sent a letter out to you a year ago. California is a State that requires the bank to send the letters out a year in advance rather than just a few months before the property is turned over to the State. So essentially a new claim form will be needed if you received one of those letters from the California State Controllers office.

The claim form is on the next page of this FAQ that you can fill out, sign and email to us with the two ID documents to unclaimedproperty@pathward.com or fax to 605-977-0202. An address is also provided on the form if you choose to mail in the documents.

The Unclaimed Property Law requires Pathward to transfer funds from deposits, accounts, cards, shares, or other interests to the State if the item has been inactive for a specified period of time. That State will then hold your funds as custodian until you contact the State for return of your funds. This is called "escheat" or "escheatment." If you fail to contact us or complete this form in time, your property will escheat to the State. To avoid escheat, you must:

1. Complete, sign, and return this notice
2. Provide a copy of two government issued forms of identification for us to verify your identity.

Please note: We reserve the right to require further proof of identification should federal law require it. For more information visit: <https://www.pathward.com/unclaimed-property>.

You can mail your response to: **Pathward, N.A.**
Attn: Escheat Administrator
